RESERVATION DATES & TIMES		
Day of the week:	Time: Start date:	End date:

This is to ensure all teams get a fair chance to practice and use the fields. We would ask that you do not reserve the baseball diamond more than 3 days in a week. The baseball field, diamond and park are public spaces, we cannot tell other people they cannot use this public space. This will reserve the baseball diamond ONLY and does not include the grass field, shelters or other areas.
