In This Issue

- Upcoming Meetings
- Library Hours
- Cease the Grease
- Garbage Collection
- Parks Update
- Resolution 2020-30
- Holiday Closures

KEEP OUR SEWERS CLEAN

This Holiday Season please remember to pour your grease, fat, & used cooking oil into a sealable container and throw it away. It is NEVER acceptable to pour these contaminants down the drain. 1 out of 5 sewer main back ups are caused by fats, oils, and grease! Sewer back ups affect everyone, and ultimately cleanup and damages are the responsibility of the homeowner. Lets all work together to keep our sewers clean and free from damaging oils and fats.

GARBAGE COLLECTION REMINDERS

The only Holidays without regular trash pick ups are Thanksgiving day, Christmas day and New Years day. If Christmas or New Years falls on a weekend, the observed Holiday day will be treated as the Holiday. If your regular garbage day falls on one of these Holidays, your trash will be picked up the following business day.

Commercial garbage pick up: the Town of Mills attempts to pick up some or most customers on the day before the Holiday. Otherwise pick up will be the following business day.

First Street Park Update

The park equipment that was purchased for First Street Park should be completely installed and hopefully ready for use around the middle of November!

Eagle Park Update

The landscaping around Eagle Park should be completed around mid November as well. This will be a nice space for our community. Once it's completed, please stop by and take a look at the plaques honoring those who donated to the Town in order to make it all happen.

We've received questions in reference to the Admin fee on your utility bills. According to Resolution 2020-30 this is for fees associated with the cost of monthly billing.

MILLS OFFICES WILL BE CLOSED NOVEMBER 11TH IN OBSERVANCE OF VETERANS DAY, AND NOVEMBER 26TH–27TH IN OBSERVANCE OF THANKSGIVING.
