and are subject to change

**Please be aware of the weeds on your property and around any fire hydrants if in your yard. Weeds are a fire hazard and they do spread to neighboring properties. Property owners are responsible for all weeds on their property, including fire hydrants, sidewalks and private alley ways. Lets clean up our weeds and show the pride we have for our community!**

# InvoiceCloud®

## Coming soon:

InvoiceCloud is a new innovative way to pay your utility bill, building permit fee, business license renewal fee, court fees and so much more! This will also offer more paperless billing options and pay by text or email. It is an easy to use portal! If you are already using Xpress Bill Pay don't worry, all accounts will roll over to InvoiceCloud. We will provide you with a link so that you may access your account anytime and set up your preferences, manage your wallet, look at your bill, etc. The QR code below will give you an idea of what the new login page will look like.

## MILLS FIRE DEPARTMENT

**From the Chief:**

### **Recreational vehicle (RV) fire safety**

**Most RV fires occur between the hours of 2 and 3 p.m., during the months of May through August, and on Fridays and Saturdays. The Mills Fire Department would like to offer the following Life-saving tips for the RV user:**

- **Check propane supply lines for kinks or damage. Test all fitting connections with a gas leak detection device.**
  - **Make sure generator exhaust is pointed away and downwind of the RV.**
  - **Stay in the cooking area when preparing food. If you leave, turn off the burner.**
  - **Have a portable fire extinguisher on board that you can easily reach. Adults should take a brief training course on how to properly use an extinguisher. Remember the acronym P.A.S.S. — Pull, Aim, Squeeze, Sweep.**
  - **Keep doors and windows clear for escape and make sure they open easily.**
- Practice a fire escape plan with everyone staying in the RV.**
- **Don't overload the electrical outlets. Using too many electrical appliances at the same time can cause a fire.**
  - **Have a trained technician thoroughly inspect your RV at least once a year.**

## **Casper-Natrona County Health Department Mills Health Clinic**

**Casper-Natrona County Health Department is now offering Healthy U, a free, six-week workshop for adults with chronic health conditions and their friends, family, and caregivers. You'll learn powerful strategies to help you take control of your health and get relief from symptoms like pain, fatigue, anxiety, and depression. Subjects include action planning, dealing with frustration about how to communicate with health professionals, evaluating new treatments, healthy eating, decision making, and appropriate exercise. The workshop will take place at 475 S. Spruce St. every Wednesday from 5:30 – 8pm, starting on August 3rd. We will be holding an informational session on July 20th at 5:30pm at the Casper-Natrona County Health Dept. Space is limited. For more information or to sign up, contact Daima 307-577-9743, [dquick@cnchd.org](mailto:dquick@cnchd.org) or Taylor 307-577-9758, [tmccabe@cnchd.org](mailto:tmccabe@cnchd.org).**
