Did you know that grass clippings can catch on fire?

This can happen when a pile of organic material has accumulated and the moisture level is at a point where heat is produced.. With all of the moisture we have gotten this year and now that the temperatures have started to heat up, this can be a danger. When grass clippings are disposed of irresponsibly, the heat they generate is not good and they can catch on fire due to the heat the grass clippings produce while decomposing.

Please properly dispose of your grass clippings in a bag separate from your regular trash and, please do not throw your grass clippings onto other peoples property. The city offers a free pick-up day on Thursday to help dispose of your yard waste.

CCR Report (Consumer Confidence Report) is available on the City of Mills website (millswy.gov), City Hall, and at the Water Treatment Plant.

If you notice a streetlight out in your neighborhood or in the city, please contact Rocky Mountain Power. Here are the ways you can report a streetlight outage:

8.15.010 Weed Removal

It is the duty of every owner of any lot or parcel of ground in the Town, to keep the lot and the parcel of ground, parkways, alleyways and the sidewalk areas abutting thereon, free from weeds. Every owner failing to comply with the provisions of this chapter may be notified by the Community Service Officer, Code Enforcement Officer, Chief of Police, or his or her or their authorized agent, to remove such weeds within ten (10) days from the receipt of such notice, or within a lesser period of time specified in the notice, if the interests of public safety and health so necessitate. If less than ten days are allowed for removal of the weeds, the notice shall state the reason that the interests of public safety and health so necessitate. Such notice shall be in effect for the duration of the calendar year and the owner of the lot or parcel shall be responsible for controlling the vegetation as prescribed above for the duration of the calendar year, without the need for re-notification. After the initial notice, any subsequent period of noncompliance shall also be a violation of this section.
