## XPRESS BILL PAY IS BACK

As many of you know we have had some problems with the new Invoice Cloud system for credit cards payments. We will be going back to Xpress Bill Pay soon! We sincerely apologize for any inconvenience this has caused you.

You can start using Xpress Bill Pay right away. If you have any questions or concerns please let us know here at the City Hall, 307-234-6679.

The website for Xpress Bill Pay is [www.xpressbillpay.com](http://www.xpressbillpay.com)

**You will no longer be able to use Invoice Cloud after January 1, 2023**

## HOLIDAY GARBAGE COLLECTION REMINDERS

Thanksgiving Day, Christmas day and New Years day are the only days that you garbage will not be picked up as regularly scheduled. If these holidays fall on your normal regular garbage pick up day, your trash will be picked up the following business day. Commercial garbage pick up: the City of Mills attempts to pick up some or most customers on the day before the Holiday. Otherwise pick up will be the following business day.

During cold weather months, don't forget to let your faucet drip slowly to help prevent pipes from freezing. The dripping faucet should be as far away from the initial water source as possible so the water will flow through the entire length of the system. A constant dripping faucet will relieve pressure that is building up in the pipe between an ice blockage and the faucet, and helps to prevent the pipes from bursting when the pipes begin to thaw.

## Friendly Reminder

Per ordinance 8.20.190 Removal of snow and ice, it is the owners and/or occupants responsibility to remove snow, ice or slush from sidewalks abutting said property and maintain them free of the same. If any owner or occupant fail to comply with this subsection, the city may, after a reasonable effort to contact the owner/and or occupant either in person or by telephone, have the snow, ice or slush removed and charge the owner or occupant for the costs thereof, as provided in section 8.20.070.

It is unlawful for any person to remove snow from private property and place the same on the public street in such quantity, or in such a manner, as to cause a hazard to travel, without adequate arrangements for the immediate removal thereof.

So with this said, please keep sidewalks clear of snow and ice and do not put your snow and ice out into the street.

Thank you for your cooperation with this.

## EXTRA TRASH PICKUP

**If you have extra trash you want picked up on Thursday, please call the City Hall and get put on the list. If you are not on the list your extra trash may not get picked up. Due to rising costs on fuel we cannot drive up and down every street. Call the City Hall at 307-234-6679 to schedule your extra trash pickup.**
