SNOW REMOVAL

With all of the snow we have gotten and will be getting this year, please remember to not push your snow into the streets. It is better to put the snow on your lawn....what is better than a green yard when the snow melts in Spring!

Please follow this link <https://www.millswy.gov/publicworks/page/snow-control-priority-plan> to see what our snow control priority plan and routes are. Private roads are the responsibility of the property owner.
