- Classical Academy Info

The court office has been moved to the City Hall. If you need to make a payment please stop by at the new location.

Court payments on Tuesday will only be accepted at the City Hall until 10:00 a.m. After that you may come to Court and make your payments in court. Court is still held at 4800 W Yellowstone.

Coming Soon! New water, sewer and sanitation rates. Please read future new letters to find out what the new rates will be. Per Resolution 2022-9.

Also, watch for sanitation route changes.

There is an extra trash pickup, free of charge, every Thursday. If you have non household items you need picked up please call the City Hall to be put on the schedule.

Items that will not be picked up:

Tires, oil & paint, chemicals, and box spring mattresses.

MESSAGE FROM MILLS FIRE DEPARTMENT

If you or someone you know is a home oxygen patient and would like to upgrade your oxygen tubing to a fire safe option, contact Mills FD today at 307-234-8481 or firechief@millswy.gov or visit the link below for a [#FreeFiresafeKit. wsf.wyo.gov](https://www.wsf.wyo.gov)

CCR Report (Consumer Confidence Report) is available on the City of Mills website (millswy.gov), City Hall, and at the Water Treatment Plant.

Learn more about Wyoming Classical Academy, a new free-tuition public charter school proposed for Mills. The school plans to open grades K-5 in September of 2023 in the Mills Elementary School building. Construction will begin on a new K-12 campus soon after opening. Visit www.wyoclassical.org and like them on Facebook @wyomingclassical.

During cold weather months, don't forget to let your faucet drip slowly to help prevent pipes from freezing. The dripping faucet should be as far away from the initial water source as possible so the water will flow through the entire length of the system. A constant dripping faucet will relieve pressure that is building up in the pipe between an ice blockage and the faucet, and helps to prevent the pipes from bursting when the pipes begin to thaw.
