Oct. 11th & 25th 7pm

Meetings held at Mills City Hall
and are subject to change

Please be aware of the weeds on your property and around any fire hydrants if in your yard. Weeds are a fire hazard and they do spread to neighboring properties. Property owners are responsible for all weeds on their property, including fire hydrants, sidewalks and private alley ways. Lets clean up our weeds and show the pride we have for our community!

InvoiceCloud®

InvoiceCloud is now live!

InvoiceCloud is a new innovative way to pay your utility bill, building permit fee, business license renewal fee, court fees and so much more! This will also offer more paperless billing options and pay by text or email. It is an easy to use portal! If you are already using Xpress Bill Pay don't worry, all accounts will roll over to InvoiceCloud. We will provide you with a link so that you may access your account anytime and set up your preferences, manage your wallet, look at your bill, etc. Use the QR code below or the web address on our City of Mills website to pay your bill.

Responsibility of Mills Property Owners

Title 8, Chapter 8.15 of the Mills Municipal Codes states that it is the responsibility of every owner of any lot or parcel of ground in the City to keep the lot and the parcel of ground, parkways, alleyways and the sidewalk areas abutting thereon, free from weeds, grass or other lawful vegetable growth which is in excess of eight (8) inches in height and that is detrimental to the neighborhood. It is the responsibility of the owner of the lot or parcel to control the vegetation as prescribed above for the duration of the calendar year.

Chapter 8.20 of the Mills Municipal Codes states that the property maintenance and nuisance abatement requirements are designed to ensure public health, safety and welfare by regulating and governing the conditions and maintenance of property and improvements within the city; by providing standards essential to ensure that structures and properties are safe, sanitary and fit for occupation and use; to improve the appearance the city; encourage a more attractive environment; improve quality of life, and increase the value of properties with in the city.
