Charge into Fire Safety: Lithium-Ion Battery Tips

- Buy smart: Choose only listed products with a nationally recognized testing lab stamp.
- Charge safely:
 - Use manufacturer-approved cables and chargers.
 - Charge on a hard surface, not on beds, pillows, or couches.
 - Unplug once fully charged—don't overcharge.
- Dispose responsibly: Never throw batteries in the trash; recycle them at safe drop-off sites via www.call2recycle.org.

The Fort Ministry is excited to host **Trunk or Treat** again this year on Halloween night, October 31st, from 5:30–7:30 pm in the church parking lot. Bring your kids for a safe, fun evening filled with candy, decorated trunks, and festive activities for the whole family!

Mills is fighting for our own unique ZIP code through H.R. 672

We need your voice! A dedicated ZIP means better mail delivery, faster emergency response, fairer tax revenue, and recognition for our community. Please call, write, or email Senators Lummis and Barrasso today and urge them to support H.R. 672—Mills has waited since 2017, and it's time to be heard.

News from the Natrona County Health Department:

October is Breast Cancer Awareness Month: Know Your Risk!

Early detection saves lives. The Casper-Natrona County Health Department, in partnership with the Wyoming Cancer Program, provides free cancer screening resources for those who qualify. Regular screenings are essential for detecting breast cancer early when treatment is most effective.

Take charge of your health: Reach out today to learn more about the programs and resources available to you by calling 307-235-9340.

Mills Municipal Court

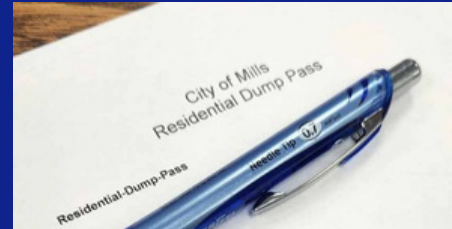

Held every Tuesday at 1:00 p.m. with the exception of recognized holidays that fall on a Tuesday.
