

AN ORDINANCE PROVIDING MINIMUM REQUIREMENTS FOR THE CONSTRUCTION AND ERECTION OF TELEVISION WIRES AND CABLES TRAVERSING AND CROSSING PUBLIC STREETS, ALLEYS OR SIDEWALKS, AND PROVIDING FOR THE ISSUANCE OF PERMITS FOR THE CONSTRUCTION OF SUCH WIRES AND CABLES.

WHEREAS, it is the opinion of the Mayor and Town Council of the Town of Mills, Wyoming, that the said Town should exercise control over television wires and cables in and across public streets, alleys and sidewalks, within the Town for the protection of life and property and in the interest of public safety.

NOW, THEREFORE, BE IT ORDAINED BY THE MAYOR AND TOWN COUNCIL OF MILLS, WYOMING:

Section 1. No television wires or cables shall be constructed in or across public streets, alleys or sidewalks, within the Town unless a permit for such construction has been issued by the Building Inspector.

Section 2. All television wires and cables shall be installed in accordance with the requirements of the National Electrical Safety Code.

Section 3. Any applicant seeking permission to construct or extend television wires or cables across and over any part of a public street, alley or sidewalk, shall, at the time of making said application, furnish the Building Inspector of the Town with an insurance policy insuring the Town against loss resulting from the injury to a person or property of persons resulting from the granting of the permission here considered, with limits in the amount of \$50,000.00 for injury to a single person, and \$100,000.00 for injury to two or more persons, and with limits in the amount of \$10,000.00 for injury to the property of a single person, and \$50,000.00 for injury to the property of two or more persons. The liability insurance policy to be delivered to the Building Inspector of the Town by the applicant as a condition to the granting of the permit to cross a public street, alley or sidewalk shall further be accompanied by a letter from the insurance agent representing the company issuing said policy, advising the Town that he will notify the Town in writing of any cancellation of such insurance policy or that the same results from the voluntary act of the purchaser of said policy or as the result of non-payment of the premium for said policy by said purchaser or for any other reason. Such letter from such insurance agent shall be addressed to the Clerk of the Town.

Section 4. The Building Inspector of the Town is empowered to inspect or re-inspect any television wires and cables crossing public streets, alleys or sidewalks, in the Town, and if such wires and cables are found to be unsafe or found not to have been installed in accord with the requirements of the National Electrical Safety Code, the Building Inspector shall notify the person, firm or corporation owning such wires and cables to correct the condition within a time specified by the Building Inspector, the Building Inspector may, in this event, remove or cause said wires and cables crossing the Town streets, alleys or sidewalks to be removed, at the cost of the owner thereof. Failure of the owner of such wires or cables to correct violations of the Ordinance within the time specified by the Building Inspector shall constitute an offense punishable by fine and not exceeding twenty-five dollars (\$25.00). Each day such violation or violations are permitted to continue shall constitute a separate and distinct offense.

Section 5. In the event that any section, subsection, sentence, clause or phrase of this Ordinance shall be declared or adjudged invalid or unconstitutional, such adjudication of invalidity shall in no manner affect the other section, subsections, sentences, clauses or phrases of this Ordinance.

Section 6. The provisions of this Ordinance shall not apply to commercial broadcasting and other commercial transmitting stations.

Section 7. This ordinance shall take effect after its posting for the 10 days required by law.
