

ORDINANCE NUMBER FIFTY-SIX

APPROPRIATION OF FUNDS FOR WATER SYSTEM IMPROVEMENT

BE IT ORDAINED BY THE TOWN COUNCIL OF THE TOWN OF MILLS:

SECTION 1.-- NECESSITY FOR IMPROVEMENT - EMERGENCY DECLARED TO EXIST.

INADEQUACY OF PRESENT EQUIPMENT. That, whereas the water pumping equipment owned and operated by the town of Mills, and furnishing all water for the municipal water system at the present time, having been in operation for somewhat more than twenty years, is worn to the point of being no longer reliable; and whereas the town of Mills does not possess auxiliary equipment to be operated in case of a breakdown of the said pump, further dependence upon the same for all waters supplied to the town of Mills has now become an extremely hazardous procedure; and that, the present pump-house being inadequate for the accommodation of the larger pumping equipment now necessary, the same can no longer be depended upon without alteration for the housing of the town water pump; and that the foregoing conditions are such as to create an emergency in the town of Mills.

EMERGENCY DECLARED. That an emergency is, therefor, now hereby declared to exist.

SECTION 2.-- TRANSFER OF MONEY FROM GENERAL FUND TO WATER FUND

MONEY TO BE TRANSFERRED AND USED FOR IMPROVEMENT OF WATER SYSTEM. That, because of such emergency as hereinabove expressly set forth and explained, the sum of \$400.00 shall be transferred from the general fund of the town of Mills to the Mills water fund; the same to be appropriated, and expended, as hereinafter provided, for general improvements necessary, and hereinafter specifically enumerated, to be made upon the town water pumping equipment of the town of Mills.
